*HOG Chapter 'Announcement'*

---

Hello Chapter Members,

I hope everyone is well and getting in a lot of ride time. I want to update you on a few things so I will get right into it

#### **VOLUNTEERS**

For all of you that stepped up and volunteered your time to help Scott and Rachel with their open house events, a job well done and great big "Thank You"! Scott and Rachel have asked me to let all of you know that if you will stop by the store where you volunteered; there is a t-shirt with your name on it. Please see the sales staff. For those of us that volunteered to help with the registration table for the Flight Crew Memorial Ride and we actually were not needed, thanks for your effort and the free t-shirt does not apply to us.

#### **VOLUNTERS NEEDED**

On October 1<sup>st</sup>, Boulder Harley Davidson will be holding an Oktoberfest celebration. They are asking for our help with the following duties: beer tent, demo rides, and if the response is there, a membership table. Please let me know if you are interested. Contact me at [hawg@FredHJohnson.com](mailto:hawg@FredHJohnson.com) or (303) 520-5842.

#### **CHAPTER KATRINA FUND**

At the September chapter meeting, a motion to have the chapter match funds collected by the chapter to a maximum of \$500 was approved. Member Jim Herstein then brought it to our attention that his company is also matching employee contributions. This is a chance to double our contributions again. Well for tax purposes that won't quite work. If you would like to make a check, so you can claim the contribution, please make your checks to "The Red Cross" with "Katrina" in the subject line. For cash donations, we will have a donation box at the October and November meetings. The chapter will match all donations up to a total of \$500. The cash portion will then be forwarded to Jim to be double once again. Great Job!

#### **NAME TAGS**

The minimum number of requests has been met to place a name tag order. This will be the last order for this year. If you would like one, please get your order to me by the October chapter meeting as the order will be placed the following day.

#### **WEB SITE CONTRIBUTIONS**

We need your pictures, articles, stories for our web site. We all like to see what has been going on with each other and what a great way to do it. Please address all entries to [webmaster@highcountryhog.com](mailto:webmaster@highcountryhog.com). Are going for a ride and would like to find a riding buddy? Check out the member's only section of the web site. You will need the user id and password. User – high, Password – country.

#### **Winter Chapter Meeting Location**

As many of you are aware, we have out grown the interior meeting rooms at the Millennium. We owe a very large dept of gratitude to Dan Pirallo and the Millennium Hotel for there very generous hospitality to this bunch of bikers. Starting with the [November](#) chapter meeting, we will meet at High Country Harley-Davidson / Frederick. We will hold our winter meetings at the dealership through April. From May through October, Dan and the Millennium, have agreed to host our meetings in the pavilion. Look for more information in the next newsletter. **Please keep in mind that the October meeting will be at the Millennium.**

Okay, okay, enough for one message. Please, everyone ride safe! Remember to stay off the center line; don't let a big mirror ruin your day!
